PORTLAND, OR

The Portland VAMC consists of two campuses located in Portland, Oregon and Vancouver, Washington. The Portland VA Medical Center also has Community Based Outpatient Clinics (CBOC) in Bend, Salem, and Warrenton (Camp Rilea), Oregon, and a mental health clinic in Longview, Washington. The Portland VA Medical Center is teaching hospital, providing a full range of patient care services, with state-of-the-art technology as well as education and research. Comprehensive health care is provided through primary care, tertiary care, and long-term care in areas of medicine, surgery, psychiatry, physical medicine and rehabilitation, neurology, oncology, dentistry, geriatrics, and extended care. The Portland VA Medical Center is a part of VA Northwest Network (VISN 20), which includes facilities in Alaska, Washington, Oregon, Idaho, and Northern California. A 72-bed Rehabilitation and Extended Care Center on the Vancouver campus serves the Portland/Vancouver metropolitan area. The Center's services include extended care rehabilitation, psycho-geriatric care, and general nursing home care. Additionally, outpatient clinic services are offered at this location in a new outpatient clinic facility.
