WHO MAY APPLY TO THIS ANNOUNCEMENT:

- Career or career conditional employees and permanent Title 38 employees and permanent Title 38 Hybrid employees of the Portland VA Medical Center eligible under the interchange Agreement. Included are permanent employees of the Willamette National Cemetery, Regional Office, Veterans Outreach Center and Veteran's Canteen.

MAJOR DUTIES:

Incumbent serves as an Enrollment Specialist of the Business Office Unit at the VA Medical Center, Portland, Oregon. The facility consists of a 442-bed inpatient activity with a 120-bed nursing home care unit and projects approximately 220,000 outpatient visits per year. The incumbent is responsible for a wide range of assignments and provides administrative support to the Unit, and the clinical staff recovery aspects of this position have a direct impact on the reimbursement of the facility. Incumbent may be required to work different and/or rotating shifts at any Division of the VA Medical Center. As an Enrollment Specialist in the Business Office Unit, the incumbent has primary responsibility for interviewing patients applying for medical benefits. Applications may be received in person, by telephone, by mail, or referral from another VA. Incumbent is responsible for entering demographic, insurance, and income information into the Portland VA Decentralized Hospital Computer Program (DHCP). This information serves as a base for determining entitlement to medical care as well as bill preparation and collections on all billable episodes of inpatient and outpatient care. Accurate and complete data collection is essential to proper processing of third party collection requirements as mandated by law. Incumbent verifies eligibility/entitlement for benefits of all applicants using various methods including income assessments, military discharge documents, computer hospital inquiry (HINQ) and other means, such as communications with VA Regional Office or VA Records Processing Centers. The process of verifying eligibility is complicated and criteria differ for each type of benefit applied for. The incumbent advises the veterans of their entitlement to various medical benefits and discusses co-payment requirements of veterans in discretionary categories. Extreme tact and diplomacy is required to explain complicated laws in this area. The incumbent is expected to provide exceptional customer service by exceeding the customer's expectations. The incumbent will actively listen to customers with respect and concern; the incumbent will pay attention to the details of the customer's needs and help the customer arrive at a satisfactory solution to the problem. The incumbent will be flexible, adaptive and enthusiastic to exceed the customer's needs. Extensive knowledge of the Medical Center and policies is required to respond to inquiries from veterans, Medical Center staff and other agencies regarding applying for care, eligibility, etc. Accurately schedules appointments in the DHCP system in the appropriate physician/specialty clinics on initial referrals. Accurately generates patient data cards for veterans applying for care using DHCP and an embossing machine. Incumbent monitors enrolled patient data base information on a regular basis (at a minimum, annually) to perform updates to health insurance data, income assessments for the Means Test and Pharmacy Co-pay Exemption programs as mandated by law. Failure to perform these audits and to timely update the information may result in inaccurate billing of a patient and result in missed crediting of workload visits for the Medical Center. Impact to the Medical Center and patients are costly and time consuming to correct. Incumbent identifies and collates health insurance information from all applicants for entry to the DHCP, copies insurance company enrollment identification cards, researches employers as needed to obtain complete data when applicants do not have complete information.

THIS POSITION IS IN THE BARGAINING UNIT
