MAJOR DUTIES:

This position is located at the Portland VA Medical Center, Inpatient & Emergency Services, Patient Transport (Escort) Unit. The incumbent provides guidance and information pertaining to patient whereabouts and accesses other services as needed to provide required care and services. Incumbent will maintain a patient log to assist in patient flow and quick reference and will utilize telephones and computer to access patient information. Safely transports patients by stretcher, wheelchair, gurney and/or accompany the ambulatory patients who need assistance to areas within the Medical Center and OHSU. Recognizes and reports significant changes in patients that are being transported. Maintains communication with Patient Transport Courier and Patient Support Team Supervisor at each delivery point. Responds and assists in all emergencies, including, but not limited to codes (cardiac arrest, behavioral, emergency, and fire alert), and internal/external disasters throughout the VA Medical Center. Provides general clerical/administrative support coordination work for the unit. Performs a variety of receptionist, record keeping, and miscellaneous duties. Plans, organizes, and coordinates activities of the unit.

QUALIFICATION REQUIREMENTS:

Eligibility: U.S. Office of Personnel Management Qualification Standards Handbook for GS-640, Health Aid and Technician series apply and may be reviewed in the Human Resources Management Service office.

General Experience: At least six (6) months of general experience (1) Any type of work that demonstrates the applicant's ability to perform the work of the position, or (2) experience that provided a familiarity with the subject matter or processes of the broad subject area of the occupation.

Specialized Experience: At least 6 months of specialized experience that equipped the applicant with the particular knowledge, skills, and abilities (KSA's) to perform successfully the duties of the position, and that is typically in or related to the work of the position to be filled. To be creditable, specialized experience must have been equivalent to at least the next lower grade level, GS-3. Specialized experience includes, but is not limited to, work as a medical assistant, research assistant, health aid, or similar position in a research or healthcare environment. Examples of duties include consenting patients, position patients for procedures, taking patient vitals, recording information hard copy as well as electronically, entering data into databases and spreadsheets, running reports, generating graphs and charts, and ordering supplies.

Substitution of Education for Experience: If using education as a substitute for experience, please submit a copy of your college transcripts with application packet. For the GS-4 level an associate's degree or at least 2 years of successfully completed education above high school with courses related to the occupation is required with at least 12 semester hours in subjects related to the position (including medical, health or allied health sciences fields). This education must have been obtained in an accredited business or technical school, junior college, college or university for which high school graduation or the equivalent is the normal prerequisite. One year of full-time undergraduate study

(Continued on next page)

is defined as 30 semester hours, 45 quarter hours, or the equivalent in a college or university or at least 20 hours of classroom instruction per week for approximately 36 weeks in a business or technical school.

BASIS OF RATING: (Knowledge, Skills, Abilities (KSAs))

On a separate sheet of paper, provide a written, detailed response to each of the KSAs. Failure to respond to the rating factors may result in your application receiving a less than desirable rating.
