- Career or career conditional employees and permanent Title 38 employees of other VA facilities.
- Applicants with competitive status outside the VA i.e., those with transfer or reinstatement eligibility.
- Veterans who are preference eligibles or who have been separated from the armed forces under honorable conditions after 3 or more years of continuous active service.
- Employees covered under the provision of the inter-agency Career Transition Plan (ICTAP) and Career Transition Assistance Plan (CTAP) (displaced VA Employees) eligibles will be given priority consideration for vacancies within the **local commuting area** for which they are well qualified. Applicants requesting this consideration must attach appropriate proof of the ITCAP eligibility with their application.

**MAJOR DUTIES:**

Incumbent interprets requests or instructions for medical or health care personnel. Receives assignments that require application of standard telemetry procedures or that require special procedures that are identified and explained. Employee understands and carries out the requests made by the health care professional or seeks assistance for uncommon, unique, or new procedures. Determines technical factors, sets controls and operates telemetry and associated equipment. Sets up specialized equipment for routine procedures. Sets technical factors, adjusting for patient anomalies. Sets operational parameters for equipment with few operating functions. Verifies that alarms are set within standard parameters. Reports equipment malfunction to senior staff. Recognizes abnormalities and brings them to the attention of the Registered Nurse and/or physician. Notifies nursing staff of results and ensures original results are made part of the permanent record. Maintains administration and clinical files. Orders and maintains supplies for the telemetry studio to include specialized supplies pertaining to instruments used in the studio. Follows a step-by-step process to assure correct operation of equipment and test outcome. Provides limited orientation to staff regarding equipment or instruments used by position. Provides assistance of a technical, specialized, or support nature to health and medical personnel in the diagnosis or treatment of cardiac rhythm or medical conditions. Performs a range of support duties such as taking, recording and reporting to nursing staff deviations in rhythm. Monitors and records each patient's rhythm and arrhythmia history, prepares equipment as needed. Makes and reports critical observations and other reactions to the nursing staff. Handles administrative support and coordination requirements. Maintains patient records, control records and documents test results. Performs health care procedures.

**THIS POSITION IS IN THE BARGAINING UNIT**

**QUALIFICATION REQUIREMENTS:**

**Eligibility:** U.S. Office of Personnel Management Qualification Standards Handbook for GS-640 series applies and may be reviewed in the Human Resources Management Service office. Regulatory requirements such as "time-in-grade" and "time after competitive appointment" are applicable.

**Specialized Experience:** One (1) year experience that equipped the applicant with the particular knowledge, skills, and abilities (KSA's) to perform successfully the duties of the position, and that is typically in or related to the work of the position to be filled. To be creditable, specialized experience must have been equivalent to at least the next lower grade level.

(Continued on next page)

**Substitution of Education for Experience:** 4-year course of study above high school leading to a Bachelor's degree with courses related to the occupation, if required. If using education as a substitute for experience, please submit a copy of your college transcripts with application packet.

**BASIS OF RATING: (Knowledge, Skills, Abilities (KSAs))**

*On a separate sheet of paper, provide a written, detailed response to each of the KSAs. Failure to respond to rating factors will result in applicant not being referred for the position:*

1. Knowledge of medical disease process, cardiac rhythms and telemetry monitoring equipment.
2. Ability to utilize CPRS, basic computer software, mouse and keyboards, complex monitoring equipment, multi-line phone equipment and pagers.
3. Ability to prioritize and complete multiple tasks.
4. Knowledge of documentation requirements which include logs, rhythm strips and arrhythmia reviews, patient charting and patient/family teaching.

**CONDITIONS OF EMPLOYMENT:**

Although the duty station is shown in this announcement, it may be necessary to utilize the selected person's services at a different location within the Portland VA Medical Center commuting area if conditions require it in the future. Applicants without prior federal service will be appointed at step one of the grade.

Eligible employees may be non-competitively reassigned to fill this position as an exception to merit promotion.

Under Executive Order 11935, only United States citizens and nationals (residents of American Samoa and Swains Island) may compete for civil service jobs. Agencies are permitted to hire noncitizens only in very limited circumstances where there are no qualified citizens available for the position.

Public transit subsidy benefits are available. Carpooling assistance is provided. However, single occupancy parking is limited on main Portland campus.

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must register with the Selective Service System, unless you meet certain exemptions.

A security clearance and a favorable suitability determination are required. Misconduct in prior employment, criminal, dishonest or disgraceful conduct, habitual use of intoxicating beverages, abuse of narcotics, drugs or other controlled substances, or reasonable doubt of loyalty to the United States are examples of reasons an offer of employment may be denied.

A drug test may be required for an applicant who is tentatively selected.

A pre-employment physical examination will be required for an applicant who is tentatively selected.

Applicants appointed to direct patient care positions must be proficient in spoken and written English as required by 38USC 7402(d) and 7407(d).

This agency provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify the agency. The decision on granting reasonable accommodation will be on a case-by-case basis.

The United States Government does not discriminate in employment on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, marital status, disability, age, membership in an employee organization, or other non-merit factor.

It is the policy of the Department of Veterans Affairs that all Federal wage and salary payments are paid to employees by Direct Deposit/Electronic Funds Transfer (DD/EFT).
